

2017 Wooden Boat Show Parking

Parking at this year's show is located at the lot at the end of Industrial Park Way. Signs will direct vehicles from Butler Bridge Road to the parking area.

To accommodate offsite parking a shuttle to the event will run from 9:30 am until the close of the show on Saturday and Sunday. Vehicles may also drop off passengers at the A street turn-around prior to parking.

The parking area is about a 1/3 mile walk along a paved path that connects to the Port's newly completed Depot Slough Path and goes directly to Waterfront Park and the Marina.

Handicap parking is located in the Post Office parking lot adjacent to the A Street turn-around.
