

## INVITATION FOR BID (ITB) NO. 2017-02

## ADDENDUM NO. 2

The Port of Toledo's Invitation for Bids No. 2017-02, Port of Toledo Pre-Engineered Metal Building, is amended as follows:

1. In response to the following question: Can parts of the structure change to accommodate the required loads as long as the foot print of the building remains the same?

The Invitation for Bid's Purpose is amended to include value added engineering of the pre-engineered manufactured building with the overall footprint of the building remaining as specified.

An improved electronic version of the project drawings have been updated and are posted: <http://portoledo.org/public-notices/>

Requests for clarification, requests for change, and protests of this Addenda must be received by January 5, 2018, 5:00 pm or they will not be considered.

THE BALANCE OF THE SOLICITATION REMAINS UNCHANGED AND IN FULL FORCE AND EFFECT.
